Sri Vijaya Puram dated the 23rd October, 2024

**Notification**

No. .... File No. M-17/4/2024-O/o SPV-ELE-ELE\_AN-Part(1). Under the Scheme PM Surya Ghar Muft Bijli Yojana launched by Ministry of New & Renewable Energy (MNRE), UT Administration of A&N Islands is pleased to provide financial assistance (FA) as an additional subsidy to promote & ensure effective implementation of the Programme in Residential Sector. The MNRE share & UT share shall be as follows:

Sl. No.	Residential RTS capacity	MNRE Share Central Finance Assistance (C FA) per KWp	Consumer Share per KWp	UT Share UT Financial Assistance (UTFA) per KW p
1.	First 2 kWp of RTS capacity or part thereof)	Rs.33,000/-	Rs 20,000/-	Will vary according to vendor cost, subject to maximum UTFA of Rs. 45,000 per KWp. Any additional share beyond Rs. 45,000 per KWp will also have to be borne by the Consumer.
<b>Note:</b> For Rooftop Solar Plant up to 2 KWp capacity, a subsidy for a maximum amount of Rs. 45000/- per KWp shall be available after factoring in admissible central subsidy and minimum consumer share of Rs. 20,000/- per KWp(subsidy amount for part capacity thereof shall be based on admissible UT share). Any extra/remaining cost will be borne by the consumer depending upon the total cost of the RTS plant as per the rate provided in National portal accepted by consumer in agreement with the selected vendor.				
2.	With additional RTS capacity of 1 kWp or part thereof) (up to initial 2 KWp capacity , subsidy conditions will be as ascribed above)	Rs 19,800/-	Rs 27,000/-	Will vary according to vendor cost, subject to maximum UTFA of Rs. 27,000 per KWp. Any additional share beyond Rs. 27,000 per KWp will also have to be borne by the Consumer.
<b>Note:</b> For Rooftop Solar Plant of capacity between 2 KWp up to 3 KWp, a subsidy for a maximum amount of Rs. 27000/- per KWp shall be available after factoring in admissible central subsidy and minimum consumer share of Rs. 27,000/- per KWp (subsidy amount for part capacity thereof shall be based on admissible UT share). Any extra/remaining cost will be borne by the consumer depending upon the total cost of the RTS plant as per the rate provided in National portal accepted by consumer in agreement with the selected vendor.				
3.	With additional RTS capacity beyond 3 KWp)	NIL	Full additional cost beyond 3 KWp	NIL

-2-

2. Consumers who wish to install solar rooftop plant may submit online application through national portal (<https://www.pmsuryaghar.gov.in>) Consumers have to pay their share to the vendor as per the terms agreed between both the parties Financial assistance (Subsidy) from the Ministry & UT Administration will be transferred directly to the bank account of the consumer/applicant on successful Commissioning of the plant. The format of the agreement is available in the National Portal One KW Solar plant requires 10 sqm (i.e, 110 sqf approximately) of area.
3. Consumer can monitor the status of application/release of subsidy through online. The entire procedure to apply for Rooftop Solar is available on the Ministry's website <https://www.pmsuryaghar.gov.in>).
4. NRSE Division, Electricity Department is the nodal office for any assistance on submission of application/release of subsidy & any other details regarding the scheme.
5. This is issued with the approval of competent authority & will be effective for all RTS projects being implemented under the scheme.
